Re: Document Collection

Dear Doctor Grunewald:

Today we are shipping by airfreight one container with

- 11 binders, Incoming faxes,
to copied by your personnel
please send these binders back to us after copying
- 565 microfiches with reports,
there is an updated list of the respective report titles in the container, please return the
microfiches after use
- 2 cartons (no. 22 and 23) with
copies of transparencies, notes, selected expert reports, etc. on nicotine, sensory physiology,
and related subjects, these are copies for your use, 1047 pages
- 8 cartons (no. 24 to 32) with
copies of reports for your use, a list with the respective report titles and additional information
to these projects is enclosed in the container, approx. 7400 pages.

As soon as possible we will fax you detailed information with regard to the carrier, flight no., etc.

Sincerely yours,

Dr. E. Römer
Operations Manager
